During the review meeting held by Hon'ble Chief Minister on provision of lands for Burial Grounds in Urban and Rural areas and Identification of future requirements, the need for providing burial grounds has been emphasized in the Urban and Rural areas for every Community i.e., Hindus, Muslims and Christians, and it is desired that Collectors must be asked to identify suitable Government lands on priority basis for allocating them for the burial grounds and in case no suitable Government lands are available, private lands may be identified for the acquisition. 3. After careful examination of the entire issue, Government hereby issue the following orders for strict compliance:-

- (1) Advisory committees for each burial / cremation ground in villages / towns / cities shall be constituted to assist the Revenue Authorities / Gram Panchayats /Municipalities in proper protection / maintenance / beautification of burial / cremation grounds.
